GOOGLE EDLA OPS PC

First **interactive display** with **Android 15!**

MAGIC AT YOUR FINGERTIPS ON **ANDROID 15**

The **Newline C Series** interactive display and **Google EDLA OPS PC** combine to deliver a truly exceptional **4K experience** for **classrooms** and **meeting rooms**. This powerful duo brings the best of hardware and software together: stunning ultra-high-definition visuals, paper-like writing with 40 touch points, and built-in speakers paired with **Android 15** and **Google EDLA certification** for seamless access to Google Play, secure updates, and effortless cloud integration. Designed to work in harmony, they make teaching and teamwork intuitive, effective, and impressively connected.

BULT-IN COMPUTER INTERGRATION
The built-in Google EDLA OPS PC with Android 15 turns your monitor into a future-proof, all-in-one solution for business and education. It delivers Android capabilities, easy app access, and seamless collaboration directly on the screen.

NEWLINE INTERACTIVE ECOSYSTEM
The Newline Interactive Ecosystem enhances teaching with versatile tools that seamlessly integrate with any software or device, meeting all classroom needs.
