NEW 2024

The newest addition to Newline universe of solutions, an innovation that's touchless but brimming with impact.

NEXT-GEN **DIGITAL SIGNAGE**

STV represents a non-touch display evolution with 4K HD resolution, a 1 mm ultra-thin bezel, and High Dynamic Range. Collaborate seamlessly through wireless casting on various devices, enhanced by the embedded file management app. The high screen-to-body ratio ensures a distinctive viewing experience. Elevate presentations with Newline VCS, a digital broadcast network transforming schools and businesses into unified visual communication hubs.

NEWLINE SOFTWARE ECOSYSTEM

Immerse your audience with our dynamic software duo: Cast+ is your gateway to effortless content casting, enabling a visually stunning and immersive experience. Meanwhile, VCS allows you to broadcast important and engaging messages directly through your Newline panel, eliminating the need for a separate media player. Make every interaction impactful!
